Results of Undergraduate Mental Health Referendum

From date 8:00 AM on Thursday, March 14th, 2024

To date 10:01 PM on Friday, March 15th, 2024

Number of invitees 24,752

Number of valid responses 3,988

Invitee response rate 16.11%

Health and Counselling Services has seen a 50% increase in demand for mental health supports. Currently, Carleton students' fee is the lowest in the province (more than 50% below the provincial average). Due to this overwhelming demand for increased mental health supports, Health and Counselling Services is proposing a mental health fee.

Do you support the creation of a \$25 per term mental health fee indexed to the Consumer Price Index, starting in Fall of 2024?

Response	Number of Votes	% of Valid Votes
Yes, I support the introduction of a mental health fee, starting in Fall 2024	2,198	57.0%
No, I do not support the introduction of a mental health fee, starting in Fall 2024	1,658	43.0%
Abstain	132	N/A
