**Number of invitees** 5,323  
**Number of valid responses** 1300  
**Invitee response rate** 24.4%

Mike’s Place Pub has been an important historic and cultural hub for graduate students and the Carleton community since its founding in 1972. Although the Graduate Students Association (GSA) provides various services, it currently does not have a levy specifically for Mike’s Place. This lack of funding has affected the overall GSA operational budget, making the existence of Mike’s Place precarious.

This levy fee will enable the GSA to operate the pub at full capacity, ensuring it remains accessible to all community members. The GSA is dedicated to enhancing graduate student engagement on campus and improving the services offered by Mike’s Place.

Do you support a \$7 per term fee, indexed to the Consumer Price Index, for the GSA to fund Mike’s Place, starting in Fall 2025?
